*Distinguished Merit Award*

ART 180 builds community. It brings people together who might not normally intersect, and it encourages them to communicate—through their art, and through conversation. Founded in 1998, ART 180's mission is to give young people in challenging circumstances the chance to express themselves through art, and to share their stories with others. Targeting the most vulnerable youth, ART 180 uses art as a means for positive youth development, building resiliency and linking individual growth with the emergence of social responsibility.
