“Thank you for taking the time to put together such an amazing training! We teach a diverse population of students, and sometimes it’s not always easy to navigate difficult conversations in the moment. It’s only been a week, by I’ve already put the skills you taught us to good use!”
– Teacher participant

One school that VCIC worked with had over 4,000 more books checked out of the library due in part to an action plan that had teachers updating their curriculum to aid students in learning more about their identities.

The Humanitarian Awards are presented to individuals and organizations that have demonstrated a commitment to the promotion of respect and understanding among people of diverse racial, ethnic, and religious backgrounds
