What is the Diversity Dialogue Day (3D)?

This one-day youth leadership forum takes participants through a process of awareness to action. The 2019 theme is **Exploring Class and Socioeconomic Status**. Students will learn to recognize prejudice and intolerance, and ways to respect others. They will work closely with their peers from a wide range of ethnic, cultural and socio-economic backgrounds. Trained facilitators guide the students through small group learning activities that explore personal experiences while helping them recognize ways to stand up for themselves and others. At the conclusion of Diversity Dialogue Day, participants develop strategies for increasing awareness and promoting inclusion within their schools.

Who sponsors the Diversity Dialogue Day?

Diversity Dialogue Day is conducted by the Virginia Center for Inclusive Communities, an organization that works with schools, businesses, and communities to achieve success by addressing prejudices, in all forms, in order to improve academic achievement, increase workplace productivity, and enhance local trust. Through workshops, retreats, and customized programs that raise knowledge, motivation, and skills, VCIC develops leaders who work together to achieve success throughout the Commonwealth.

The Diversity Dialogue Day forum is financially sponsored by

When and where will the 2019 Diversity Dialogue Day take place?

The 2019 Lynchburg Diversity Dialogue Day takes place on **Wednesday, March 13** at the University of Lynchburg. Facilitators must be in attendance from 7:30am-2:00pm.

Facilitators are required to attend a mandatory training session on **Tuesday, March 12** from **6:00pm – 8:30pm** at the University of Lynchburg.

What do facilitators do?

At Diversity Dialogue Day, groups of 25-35 high school students experience workshops facilitated by co-facilitator teams. We aim to have each facilitator team consist of one experienced facilitator and one newer facilitator. Facilitators come from a variety of backgrounds and professions, all with a shared interest in working with young people to promote inclusion and respect.
